

Senate of Pennsylvania

HARRISBURG, PA

Congratulations

In the Senate, March 11, 2022

Whereas, *The Senate of Pennsylvania takes great pride in recognizing those esteemed publications which, through adherence to the highest standards of service, contribute in a meaningful way toward a better and more productive society; and*

Whereas, *"The Express" is celebrating the momentous occasion of its one hundred fortieth anniversary; and*

Whereas, *Dating back to March 1, 1882, "The Express" community newspaper was founded by brothers W. A. and Frank Kinsloe as "The Evening Express," and it adopted its current moniker in 1904. In 1917, "The Express" and "The Daily Dispatch" newspapers merged to bring about the current publication, which has nonpartisan principles in politics and community welfare as its goal. The newspaper purchased the "Jersey Shore Evening News" in 1961, and in 1969, it moved its printing operations to the Himes Printing Company of State College. Additionally, it published its first weekend edition in June 1993. Today, "The Express" is a daily newspaper serving all of Clinton County, as well as parts of Centre and Lycoming Counties. It has developed a strong reputation for the highest quality of service throughout its history. By steady adherence to the principles of fairness, reliability and integrity, "The Express" has become a leader in the community and a model that is worthy of emulation. Over the years, those in leadership positions, as well as its staff members and readers, have contributed in a tremendous way to its growth and development.*

Now therefore, *the Senate of the Commonwealth of Pennsylvania congratulates "The Express" upon its richly deserved recognition; extends warmest wishes for a future replete with ever-increasing success;*

And directs *that a copy of this document, sponsored by Senator Cris Dush, be transmitted to "The Express," Nine West Main Street, Lock Haven, Pennsylvania.*
